Office of PCT Legal administration

In the response to your letter from April 2004 (1 page of the letter enclosed) please find the original copy of the card payment of my patent in 2001. I have authorized to take 605\$ at this time. The remark was that patent was not fully paid, apparently it should be only 430\$.

I would like that you cancel the decision about abandonment. I will be in USA for a Congress in the next week. If urgent please contact me by hmalina@hotmail.com

Yours sincerely.
